Dynamic Industries officially opened for business in grand style with barbeque, beer, and music. A ribbon-cutting ceremony kicked off the festivities at their newest location at 225 Commerce Court.

Matt Oubre, Executive V.P. and C.O.O. said, "We are looking to expand as we gain clients in the area." Office Manager Matt Hebert said they currently have eight employees.

They will be looking for skilled electricians, technicians, and programmers. They hope to start training programs at Victoria College.

Dynamic Industries is based in Louisiana, and also has facilities in Carrizo Springs, and Ingleside, Texas, as well as international locations.
